THE SMART CHOICE FOR ANY POOL

THE KLEVER KLEENA

THE SMART CHOICE FOR ANY POOL

Intelligent Steering The Klever Kleena is designed to intelligently steer its way out of corners, stairs, and any obstacle your pool throws its way. Making it the first truly frustration free **Un-stickable** cleaner.

Attractive Compact Modern Design

Owning a pool cleaner doesn't have to be a sacrifice to style, with The Klever Kleena's attractive modern design, your pool will be crystal clear and looking good.

Gentle Scrubbing Action The Klever Kleena scrubbing base gently removes dirt and algae from the pool surface as The Klever Kleena quietly and efficiently cleans your pool.

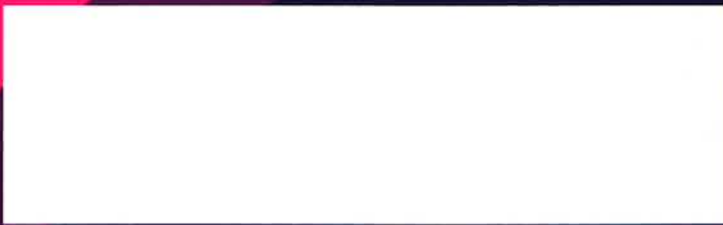

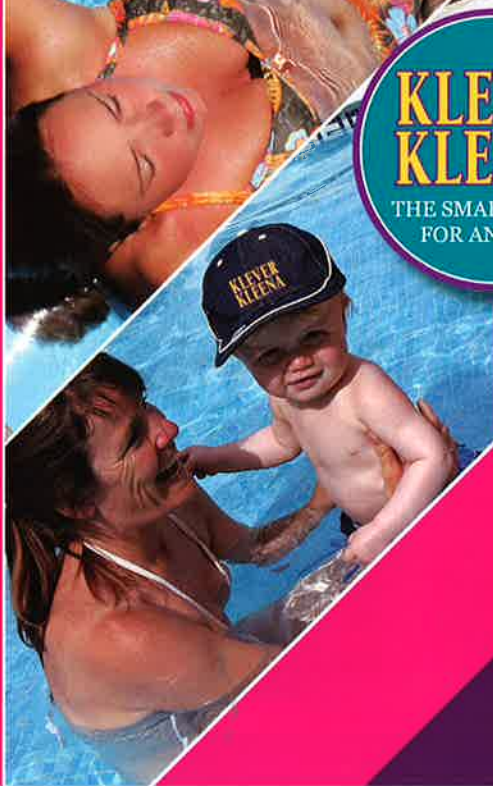

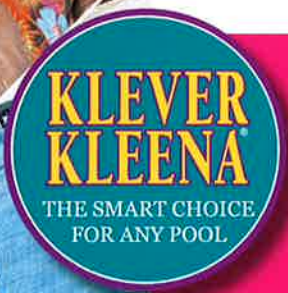

Full 2 Year Warranty Ensures years of trouble free service from your Klever Kleena.

Simple Installation A quick and easy installation will have your pool spotless in no time.

Suitable for all Pools The Klever Kleena is specially designed for all pool shapes and surfaces and will keep your pool clean all year round.

Now with KleverKonecta

This incredibly flexible KleverKonecta allows your Klever Kleena to pivot and turn effortlessly in any direction so no corner or surface is missed.
